CHALLENGE TO **STUDY OVERSEAS**

Prospective students have an overseas plan

I'm dizzy, there are many things to know & prepare for

I need a solution for this!

- Inexperienced students in selecting their higher education major degree.
- Difficult or hard to get and understand information on study abroad.
- Complex higher education visa application process.
- Clustered and lack of end to end education services.
- Cross-cultural diversity with the student's origin country, hindering adaptation to the learning process in a foreign country.
